At present the name of the railroad station, express, Some Newly Listed Properties with telegraph and post office is Evarts.

The Pillsbury Baldwin company of Barton has decided to locate in St. Johns-Barton has decided to locate in St. Johnsbury and details are now being arranged to that effect. The company began bus iness in 1806 and employed nine to seventeen men the first year, last year 48 men, with business amounting to 281. 700, while this year the business of the company will amount to more than \$160,000. In 1908 the company had 14 customets; now it has 560. An improved plant, costing in the vicinity of \$60,000 will be erected, capable of employing 200 men, and it is expected that half that number, at least, will be empoyed the coming year. The Commercial club, through whose instrumentality the new business was secured is never an entered to the control of the best farms in No. 127, 180 acres. One of the best farms in New England. Only three-fourths mile from the England. Only three-fourths mile from New England. Only three-fourths mile from the E Work 24 Hours a Day.

One will be erected, capable of employing 200 men, and it is expected that balf that number, at least, will be ema sugar-conted globule of health, that poyed the coming year. The Commercial changes weakness into strength, languer club, through whose instrumentality the into energy, brain-fag into mental pow-new business was secured, is now ener; curing constipation, hendache, chills, gaged in raising the guarantee fund.

ing in his play. The test is not at all whether the actor looked and talked like somebody else than himself, but whether, even if he did look and talk like himself, he made himself seem considerably like the character of the play, and left at the close a definite idea of the author's

"Now, suppose that you dressed up like Santa Claus, with beard and cap and cloak, assumed a strange voice and folling gait, go and endeavored to hoax your kiddles. Would not your task be much easier than if you appeared before them in your proper person and told them you were the gas man come to read the meter? the gas man come to read the meter?
We are all more or less children in the theatre; we go there to 'pretend' and to waten others 'pretend.' And it is by no means the sign of superior acting that we are more feeled by the man who wears the false whishers; in other words, by what the players call the 'character' might exchange for borse and buggy. Here notor.

"One of the most common of all errors in the judgment of acting, indeed, in the failure to realize the greater difficulty of Rooms Nos. 8 and 9, Gordon Block playing a 'straight part' over playing a 'character part'
